Modular Pontoons

Modular pontoons cost effective, easily road transportable and built to size on site. To give a range of various sizes and rigged to suit clients needed. Can also be doubled up to increase deck load. Moonpools, Winches, scaffolding, Dive spreads, etc A great work platform.

Small Safety boats

We have a variety of other boats, Welfare vehicle/units and ROV's to supply.

RGES Services provide Aluminium Boats, Pontoons, Salvage, Recovery, refloating services etc.
